Product	Models	Description	Items (Photos)	Remark	Unit Price in US\$/Pair
<b>150W SK12 Series</b> 3570 CSP CHIP LED	H1 H7 H11 9005 9006 9012	Power: 75W @ Low Beam 75W @ High Beam Input Voltage : DC9-30V Luminosity: <b>9000LM/Bulb</b> Life-Span:>30000hrs Color Temp:6000K		1.) Superior <b>6PCS 68μ CSP</b> LED Chips - Super bright, 600% brighter than halogen lamps.  2.) Adopts 360° adjustable locker ring to ensure the perfect beam pattern. Not dark spots or foggy light.  3.) Using thermal conductivity aluminum, hollow-carved heat sink and turbofan take away the heat.	Request a Free quote now at SKLEDETECH.COM!
	H4 H13 9004 9007	Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>Double red copper heat tube</b> Warranty: 24 MONTHS			
<b>150W SK12s Series</b> 3570 CSP CHIP LED	H1 H7 H11 9005 9006 9012	Power: 75W @ Low Beam 75W @ High Beam Input Voltage : DC9-30V Luminosity: <b>7400LM/Bulb</b> Life-Span:>30000hrs Color Temp:6000K		1.) Superior <b>6PCS 55μ CSP</b> LED Chips - Super bright, 500% brighter than halogen lamps.  2.) Adopts 360° adjustable locker ring to ensure the perfect beam pattern. Not dark spots or foggy light.  3.) Using thermal conductivity aluminum, hollow-carved heat sink and turbofan take away the heat.	Request a Free quote now at SKLEDETECH.COM!
	H4 H13 9004 9007	Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>Double red copper heat tube</b> Warranty: 24 MONTHS			
<b>130W SKV30 Series</b> 3570 CSP CHIP LED	H1 H3 H7 H11 9005 9006 9012	Power: 65W @ Low Beam 65W @ High Beam Input Voltage : DC9-30V Luminosity: <b>7800LM/Bulb</b> Life-Span:>30000hrs Color Temp:6000K		1.) 520% Brighter: Superior LED Chips with 65W, 15,600LM, brighter than the halogen bulbs.  2.) Perfect Light Pattern: Super-focused beam delivering wider angle and further range lighting.  3.) Aviation aluminum, hollow carved heat sink and turbo cool fan can take away the heat rapidly.	Request a Free quote now at SKLEDETECH.COM!
	H4 H13 9004 9007	Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>Double red copper heat tube</b> Warranty: 24 MONTHS			

<p><b><i>120W SKP5 Series</i></b> <b>3570 CSP CHIP LED</b></p>	<p>H1 H7 H11 9005 9006 9012</p>	<p>Power: 60W @ Low Beam 60W @ High Beam Input Voltage : DC9-30V Luminosity: <b>7200LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>Double red copper heat tube</b> Warranty: 24 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) Provides powerful 14,400 lumens output and comfortable 6000K cool white light.</li> <li>2.) With the longer exposure distance than the original bulb. It can provide long-distance visibility of 120m.</li> <li>3.) State-of-the-art cooling technology with powerful twin Turbo fan design, twice faster heat dissipation.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDTECH.COM!">SKLEDTECH.COM!</a></p>
<p><b><i>110W SKX10 Series</i></b> <b>3570 CSP CHIP LED</b></p>	<p>H1 H7 H11 9005 9006 9012</p>	<p>Power: 55W @ Low Beam 55W @ High Beam Input Voltage : DC9-30V Luminosity: <b>6600LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>Double red copper heat tube</b> Warranty: 24 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) Adopt Top Automotive-Grade LED chips with 55W, 13,200LM in total, 6000K cool white.</li> <li>2.) With vertical aligned led components design, perfectly mimic the original halogen light pattern.</li> <li>3.) Adopt aviation aluminum, unique hollow carved heat sink design and cool fan, super cooling ability.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDTECH.COM!">SKLEDTECH.COM!</a></p>
<p><b><i>90W SK2Pro Series</i></b> <b>3570 CSP CHIP LED</b></p>	<p>H1 H3 H7 H11 9005 9006 9012</p>	<p>Power: 45W @ Low Beam 45W @ High Beam Input Voltage : DC9-30V Luminosity: <b>5400LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>1pc red copper heat tube</b> Warranty: 24 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) Adopt great automotive-grade LED chips, super-focused beam provide 7 times brightness.</li> <li>2.) Perfectly mimic the light pattern with better visibility, perfect beam can 1600ft visibility.</li> <li>3.) Work with most of vehicles without error, while some sensitive models may require CANbus decoder.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDTECH.COM!">SKLEDTECH.COM!</a></p>
<p><b><i>80W SK11 Series</i></b> <b>3570 CSP CHIP LED</b></p>	<p>H1 H3 H7 H11 9005 9006 9012</p>	<p>Power: 40W @ Low Beam 40W @ High Beam Input Voltage : DC9-30V Luminosity: <b>4800LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>Premium aviation-grade aluminum body</b> Warranty: 18 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) Super Bright, 320% brighter as halogens. Super focused beam pattern, no dark spots or foggy light.</li> <li>2.) CanBUS Ready - Work with 98% of vehicles without computer system error problems.</li> <li>3.) Aviation aluminum body, unique hollow-carved heat sink and turbofan excellent cooling.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDTECH.COM!">SKLEDTECH.COM!</a></p>

<p><b><u>60W SK9s Series</u></b> <b>3570 CSP CHIP LED</b></p>	<p>H1 H3 H7 H11 9005 9006 9012</p> <hr/> <p>H4 9004 9007 H13</p>	<p>Power: 30W @ Low Beam 30W @ High Beam Input Voltage : DC9-30V Luminosity: <b>3600LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>Aircraft aluminum housing, strong cooling</b> Warranty: 12 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) 240% Brighter than halogen bulbs, 7200 lumens and cool white vision, see longer and cleaner at night.</li> <li>2.) Super-focused beam pattern and qualified LED chips, offer 1200FT vision(halogen bulbs is 300FT).</li> <li>3.) Adopt aircraft aluminum and turbo cooling system, work more than 30,000 hours(10 times as halogens).</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDECH.COM!">SKLEDECH.COM!</a></p>
<p><b><u>56W SK9Tricolor Series</u></b> <b>3570 CSP CHIP LED</b></p>	<p>H1 H3 H7 H11 9005 9006 9012</p> <hr/> <p>H4 9004 9007 H13</p>	<p>Power: 28W @ Low Beam 28W @ High Beam Input Voltage : DC9-30V Luminosity: <b>3360LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:<b>3000K&amp;4300K&amp;6000K</b> Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>6000K white,3000K golden yellow,4300K warm white</b> Warranty: 12 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) 6000K xenon white with strong color display, for clear night; 4300K warm white provides clear vision in cloudy and rainy; 3000K golden yellow has perfect penetration against poor visibility in heavy fog.</li> <li>2.) Using the top automotive-grade dedicated LED chip to produce perfect beam. The brightness is increased by 240% to ensure better visibility and higher security.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDECH.COM!">SKLEDECH.COM!</a></p>
<p><b><u>70W SKD Series</u></b> <b>3570 CSP CHIP LED</b></p>	<p>D1S D2S D3S D4S D5S D8S</p>	<p>Power: 35W @ Low Beam 35W @ High Beam Input Voltage : DC9-30V Luminosity: <b>4200LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>With External Driver, connect with ballast</b> Warranty: 18 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) 280% HIGH BRIGHTNESS, GOOD CHOICE TO REPLACE YOUR DIM STOCK LIGHTS.</li> <li>2.) Customized LED Chips are more durable and bring brighter lighting.</li> <li>3.) Built-in Mute Cooling Fan + aviation aluminum body. Windless &amp; Easy to install, 100% plug-n-play.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDECH.COM!">SKLEDECH.COM!</a></p>
<p><b><u>60W SKH15 Series</u></b> <b>3570 CSP CHIP LED</b></p>	<p>H15</p>	<p>Power: 30W @ Low Beam 30W @ High Beam Input Voltage : DC9-30V Luminosity: <b>3600LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>If your high beam is H15, then it will fit</b> Warranty: 12 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) 240% Brighter: Superior LED Chips; 3 times brighter than halogen bulbs.</li> <li>2.) Perfect High Beam Pattern: Super-focused beam delivering wider and further lighting.</li> <li>3.) If your original halogen bulb is H15, it can fit for high beam and DRL. Such as, for VW Golf, for VW Golf SportWagen, for VW GTI, for VW Jetta, for VW Tiguan, for Audi A3 and so on.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDECH.COM!">SKLEDECH.COM!</a></p>

<p><b><u>90W SKP8 Series</u></b> <b>3570 CSP CHIP LED</b></p>	<p>H4</p>	<p>Power: 50W @ Low Beam 40W @ High Beam Input Voltage : DC9-30V Luminosity: <b>6000LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>H4 Mini LED Projector Series</b> Warranty: 12 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) The h4 mini projector lens build in custom top grade LED chips to make them brighter and safer.</li> <li>2.) Designed by mini optical lens, make the light beam pattern concentrated, and the cutting lines obvious.</li> <li>3.) By using aviation aluminum alloy and designed by turbo intelligent cooling fan provide super cooling ability.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDTECH.COM!">SKLEDTECH.COM!</a></p>
<p><b><u>80W SKHighlander Series</u></b> <b>3570 CSP CHIP LED</b></p>	<p>H7 H11 9005 9006 9012</p>	<p>Power: 40W @ Low Beam 40W @ High Beam Input Voltage : DC9-30V Luminosity: <b>4800LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>For Toyota Highlander 2017-2019</b> Warranty: 18 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) For Toyota Highlander 2017-2019, the socket NOT in the center of the housing.</li> <li>2.) This designed based on the factory bulb. It's unique to compared with other dim sizes in light performance.</li> <li>3.) Hassle-free installation. Designed based on the OEM bulb for 2017-2019 Toyota Highlander.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDTECH.COM!">SKLEDTECH.COM!</a></p>
<p><b><u>52W SKA7 Series</u></b> <b>3570 CSP CHIP LED</b></p>	<p>H1 H7 H11 9005 9006 9012</p>	<p>Power: 26W @ Low Beam 26W @ High Beam Input Voltage : DC9-30V Luminosity: <b>3120LM/Bulb</b> Life-Span:&gt;30000hrs Color Temp:6000K Main Body: Aluminum Cooling Style: Fan Heatsink Build-in <b>Unique hollow carved heat sink design</b> Warranty: 12 MONTHS</p>		<ol style="list-style-type: none"> <li>1.) Designed with 16pcs 3570 chips, 6000K soft light, 4times brighter than stock halogen bulbs.</li> <li>2.) All-in-one compact design, built-in fan take up less housing space, <b><u>Internal Driver, Plug and Play.</u></b></li> <li>3.) Designed with full body aluminum material, built high-speed cooling fan and copper base board.</li> </ol>	<p>Request a Free quote now at <a href="http://SKLEDTECH.COM!">SKLEDTECH.COM!</a></p>

Remark:

(1) The quotation is valid for 1 month, starting from the date of the quotation.

(2) The price is based on the exchange rate of 1: 6.85, from USD to RMB and will be adjusted when exchange rate fluctuates more than 3%.

(3) Standard Lead Time: 15 working days for a trial order (≥200Sets), 25 working days for a OEM Customized order (≥1000Sets).

(4) Payment Terms: 30% T/T in advanced, 70% T/T balanced should be paid before shipment.

(5) OEM/ODM services:

a.) Logo laser printing on lamp's body (≥200Sets).

b.) OEM customized your brand colourful packaging box (≥1000Sets) can be mixed with different models for one type.

(6) If there is any problem with the product itself during the warranty period, New replacement ones will be sent with your next new order.
